The Family To Family Health Information Project (F2F) Can Help You

WHO we help

Families of children with special health care needs

Children, youth and young adults with special health care needs

Professionals in education, medical and human service fields

HOW we help

F2F assists families of children and youth with special health care needs (CSHCN) and the professionals who serve them. F2F offers information, resources and options for informed decision-making.

F2F offers workshops and trainings in your area.

F2F mentors parent leaders to influence public health programs and policy.

F2F encourages collaboration between families and professionals to improve services for CSHCN.

WHO we are

F2F is led by parents of CSHCN who, as parents themselves, have experienced first hand the maze of services and programs designed to help CSHCN.

Call us!

How do I get started ?

Give us a call between 9:00 AM and 5:00 PM Monday-Friday and one of our staff will assist you. You can also email us anytime at info@pealcenter.org

Is there a cost?

No, Family to Family Health Information Project services are provided free of charge to Pennsylvania residents.

What can I expect when I call?

Staff will ask you a few questions to better understand your needs and will quickly direct your call to the appropriate person.

What if I'm not sure if F2F can help me?

Call us anyway. Chances are we will know of a program or resource to fit your needs and will be able to get you pointed in the right direction. We help families and individuals with a wide variety of special health care needs.

The **MISSION** of the **PEAL Center** is to ensure that children, youth and adults with disabilities and special health care needs lead rich active lives and participate as full members of their schools and communities by providing training, information and technical assistance based on best practices to individuals, families and all people who support them.
