Parent Education & Advocacy Leadership Center educates and empowers families to ensure that children, youth and young adults with disabilities and special health care needs lead rich, active lives as full members of their schools and communities.

The PEAL team works with families, youth & young adults to help them:
- Understand their rights and advocate for themselves,
- Be included and educated in their home schools, and
- Access high quality, coordinated physical & behavioral health care.

The graphic to the right represents the six key strategies used by PEAL to accomplish our work. Contact PEAL to learn more about how we can help your family!

PEAL services are provided at no charge to families as they are funded by private donations, federal, state, and private grants. Donate to PEAL every time you shop at Amazon. Use this link: https://smile.amazon.com/ch/20-2943378
